

January 2012

◆**To Our Business Colleagues**◆

New Hampshire businesses need to work together in the challenging economic environment to help each other remain successful. We invite you to meet the certified public accountants of New Hampshire at our events, which provide the opportunity for us both to meet each other and develop relations.

The New Hampshire Society of CPAs events are available for sponsorships/exhibitors. You may reserve your exhibitor space by returning the registration form, or you may contact Roberta Daly for more information at rdaly@nhscpa.org, or call 622-1999.

We welcome sponsors to offer raffle opportunities at these events to increase exposure.

NHSCPA will provide meals for one person, skirted display table w/ chairs and a list of attendees.
