Guidelines for the Scholarship Program

The New Hampshire Society of Certified Public Accountants Board of Directors has approved scholarships during the twelve months ending April 30, 2013. In future years, the amount of the scholarships, if any, will be determined annually by the Board of Directors when voting on the annual budget.

For the twelve months ending April 30, 2013, scholarships may be awarded to a senior or graduate student in an accredited four-year college or university accounting or business program. General qualifications and timetable for the scholarship program are detailed below:

Qualifications Required to Apply for Scholarship:

Applicant must:

- Be a U.S. citizen, a New Hampshire resident and an accounting or business major entering their senior year at an accredited four-year college or university, or a graduate student pursuing a master's degree in accounting or business in an accredited program;
- Be recommended by a teacher or person responsible for the accounting or business program where the applicant is presently enrolled;
- Complete and return the application provided by the New Hampshire Society of Certified Public Accountants by the due date;
- Must have at least 90 credits or have senior-standing;
- Must have taken at least 3 courses of upper level accounting courses which would exclude introductory financial and managerial classes or the first 6 credits in accounting courses.

Due Date for Applications:

The completed scholarship application, along with supporting documentation, must be postmarked by **November 15, 2012**.

Awards to be Made:

The Financial Careers Committee of the New Hampshire Society of CPAs will announce its decision regarding the scholarship awards no later than **the end of December, 2012**.

Criteria to be used in Selection of Students:

The Committee will use academic achievement in making the scholarship awards.
